

**NOTICE**  
**DEPARTMENT OF MATHEMATICS**  
**TEZPUR COLLEGE**

**Subject:** Interdepartmental Seminar on Classical Algebra and Differential Equations

We are delighted to announce an interdepartmental seminar organized by the Department of Mathematics, Tezpur College in collaboration with IQAC, Tezpur College. This event aims to foster interdisciplinary collaboration and highlight innovative applications of mathematics across various fields.

**Event Details:**

**Date:** 28-29 November, 2024

**Time:** 10:00 AM – 4:00 PM

**Venue:** SC7

**Agenda:**

- Inauguration by the Principal
- Keynote Lecture by Dr. H. Hazarika, Head of the Department
- Presentations by faculty members and students from various departments
- Interactive sessions and discussions
- Closing Remarks and Vote of Thanks

We encourage all students and faculty members to actively participate in the seminar and contribute to the knowledge-sharing sessions. Your presence and involvement will undoubtedly make this event a grand success.

For further details and to register, please contact the Department of Mathematics.
