Date: 19th March, 2026

NOTICE

This is for your information that the students of Semester II of our department along with the teachers will participate in an Extension Programme on the topic “Awareness programme on Water Purification System” on 20th March, 2026 (Friday). It will be conducted in our nearby Kalibari area of Tezpur. All the students of Semester II are directed to wear proper uniform and carry their identity cards.

(Dr. Rakhee Saikia)

Head

Department of Chemistry
