Students Feedback Analysis:

The students of all the semesters are satisfied with the syllabus content, extent of the syllabus and delivery of the syllabus as more than 80% of the students gave positive responses. They are also content with the internal assessment methods, and use of teaching aids. Most students have selected 'excellent' in students-teachers interaction and library reading room facilities. However most students have complaints about the washroom facilities of the college along with the drinking water facilities. And the students have agreed that they will be recommending our college to others to study here.
